Andy asked me to pass around this barf bag. (It appears to be unused.)

He said that if you put your business card in the bag ...

1. He will NOT spam you or try to sell you anything.
2. He will send you a word of mouth marketing demonstration in the *postal* mail. He won't tell me what it is -- but I expect that it will be interesting!
3. We will pick three cards at the end of the speech and give away three copies of Andy's book.
